CONTACTED BY:   PHONE ( x )  
                                  PERSON (   )

NAME OF PERSON CONTACTED:   Karen Turner

On 12-17-97, at approximately 0950 hrs., Ms. Karen Turner contacted me.

Ms. Turner stated that on 12-16-97 she was confronted by Steve Elliott. Elliott told Ms. Turner he was mad at Paige for sending me to him.

I told Ms. Turner that I could not deny confirming to Elliott that Paige was talking to me, that I would have to refer back to my reports. I told Ms. Turner that her name would have been given to Elliott as a means to get him to verify what he had told Paige. I told Ms. Turner I did not see Elliott as being a threat to Paige.

Elliott told Ms. Turner that since he did not respond soon enough to me, that this made me angry and that I somehow have been in touch with other authorities and have caused him to be arrested on some traffic charges. I told Ms. Turner there was no truth to this whatsoever.

I told Ms. Turner that I probably mentioned a traffic warrant that he had, but that I was there conducting this investigation not serving traffic warrants.

Elliott also told Ms. Turner that I had told him something about having two bullets and a weapon and that we had fingerprints from these items. There was nothing like this mentioned to Elliott.

I told Ms. Turner that Elliott had told me that he has not had any contact with someone that had talked directly to Case where Case had admitted being present when Anastasia was killed. Elliott said that Paige misinterpreted whatever was said.

I asked Ms. Turner if she would like me to contact Elliott and she said no that she had sat down with Elliott and had a talk with him. Ms. Turner told Elliott that Paige was doing what she thought was the right thing to do and that he should not contact Paige about this.

I informed Ms. Turner that if Elliott or anybody presents a problem for her or Paige, she should contact me immediately and I would take care of the matter.

Ms. Turner gave me no indication that Elliott would create any further problem.

End of report.
